

Closure Recommendations

For Lead-Based Paint and Asbestos

Sections

Lead-Based Paint

Asbestos

On-Site Visits

Facilities can remain open

Partial areas may need to be closed at the certified/accredited professional's discretion

Can be scheduled during breaks, after school hours, and on weekends

Duration: 1 – 3 days depending on the size of the facility

Mitigation/Abatement

Facilities should be closed and mostly unoccupied

May need to be scheduled during longer breaks

Duration: varies depending on the size of the facility and activities performed
